## Indian Trails Native Nursery

Jane Thompson, Owner  
Indian Trails Native Nursery

Visit with native plant specialist **Jane Thompson** at her Indian Trails Native Nursery, located at 6315 Park Lane W, Lake Worth. Jane will show us around some of the more than 60 species of native plants she has available at her nursery, including trees, bushes, grasses, ground cover, wildflowers and vines. She will share information on the best locations for many of the plants and which ones would work best in our gardens.

Indian Trails Native Nursery designs, delivers and installs beautiful and sustainable Florida native landscapes for residential and commercial properties. Jane is a member of The Florida Association of Native Nurseries (FANN), Florida Native Plant Society (FNPS), and a certified landscape technician by the Florida Nursery Growers and Landscape Association (FNGLA).

Indian Trails Native Nursery promotes School Gardens in Palm Beach County and participates in the county's Native Tree Canopy Program.
